Hello A. Gain Sample,

If you've ever felt the sting of a high gas bill during the winter, you should know that you can lock in a fixed price with Dominion Energy Solutions. If you find a lower price from a competitor, we'll match it, because we want everyone in the community to get the best available price.

You deserve the best available price and service that meets your needs.

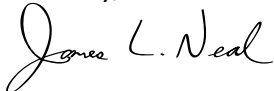

- **Fixed pricing** means you won't see a price increase when winter hits
- We offer the opportunity to **switch your price at anytime**
- **Budget billing** will still be available through your utility, so you can average your costs over 12 months

Spend your time (and your money) on the things you care about.

You're busy! So we're looking out for our neighbors with a hassle-free customer experience – that means it's easier than ever to sign up. If you have any questions, we're here to help. Give customer service a call at 1-844-871-53XX and speak to a live, U.S.-based customer service rep.

We look forward to serving you as part of the Dominion Energy Solutions community.
