Hello A. Gain Sample,

It's important to us that we strive to provide the best customer service in the business. We're customers too – and you shouldn't have to worry about things like a confusing sign up process or hidden fees.

A hassle-free customer experience that also saves you time and money.

- **Why fixed pricing?** Your bill stays the same so you'll spend less time worrying about your budget
- **Why price matching?** You get the best price, guaranteed, even if it's advertised by a competitor
- **Why no cancellation fee?** You can cancel at any time at no cost to you, because you're in control

We want our neighbors to feel like they are heard and respected.

We'll never charge you a cancellation fee because we believe it's the right way to do business. And if you have any questions about the Dominion Energy Solutions portion of your bill, we're here to help. Give customer service a call at 1-844-871-53XX and speak to one of our U.S.-based customer service reps.

We look forward to serving you – have a warm and comfortable winter.
