## Affordable dental coverage with benefits you really want.

Hello A. Gain Sample,

As a member of Humana, we want to make sure you have extensive dental coverage available at an affordable price. That's why we're offering the HumanaOne Dental C550 plan.

### Put a smile on your face with dental care you can afford.

Because dental work can be expensive, people sometimes put off important checkups and procedures. With the HumanaOne Dental C550 plan, you won't have to wait to give your dental health the attention it deserves. We offer 100% coverage for many preventive services such as cleanings, X-rays, and oral exams. There's no deductible, the office visit copayment is only \$10, plus, any pre-existing conditions you may have are covered right from the start.

#### Here are just some of the great benefits you'll enjoy:

<b>You're covered!</b> 100% coverage on many preventive and diagnostic procedures with significant discounts on all other covered services	<b>Coverage you can afford</b>  <b>Pay just</b> <b>[\$XX]</b> <b>a month</b>
A one-time enrollment fee of just [\$XX]	
A low office visit copayment of just \$10	
All pre-existing conditions are covered	
No waiting — coverage starts upon enrollment	
There are no claims for you to file, which means no additional paperwork	

**Call now to enroll:** [1-XXX-XXX-XXXX] (TTY: 1-877-833-4486),  
8 a.m. to 8 p.m., Monday-Friday.

### A simple, flexible plan.

For just [\$XX] a month, and low copayments for services not covered 100%, you can afford the dental care you want. The cost of the plan for the entire year is less than you'd pay for a major procedure like a crown or root canal. And it is important to remember regular visits can help you avoid those major procedures in the first place. We look forward to helping you,

and providing you with this important coverage. Call now to enroll.

## **A healthy smile is important to your overall health.**

Many leading health experts agree there is a strong correlation between a healthy mouth and good overall health<sup>1</sup>. That's just part of the reason why it's so important to have access to the dental care you need. With over 5,000 dentists in our network, you can choose the one you want. While you must select a participating primary care dentist before you enroll, you are able to change primary care dentists at any time as long as they are in the network.

We look forward to providing you the comprehensive dental coverage you and your family deserve at an affordable price with the HumanaOne Dental C550 plan.

Sincerely,

John Terry  
Vice President, Sales

P.S. With the HumanaOne Dental C550 plan, each office visit will only cost a \$10 copayment plus any applicable service copayments. And remember, coverage is also available for your family members. Don't wait, enroll now by calling **[1-XXX-XXX-XXXX]** (TTY: 1-877-833-4486), 8 a.m. to 8 p.m. Monday-Friday.
